

Draft: 2/22/16 Councilman DeVita Comments - red text are additions and yellow highlights are deletions.

Sunset Beach Environmental Resource Committee

MISSION STATEMENT

The Sunset Beach Environmental Resource Committee (SBERC) will provide advice and research and gather documented information pro and con to assist the Council and to the Planning Board as requested on specific environmental matters of current or long range interest to the Town. The committee shall keep abreast of proposed legislation and technological advances of an environmental nature that might affect our geographic region and local area, providing periodic updates to Council. issues before the Boards that have an environmental dimension.

The two members of the SBERC will be appointed by the Council for a three year staggered term and should possess a good working knowledge of the environmental requirements of the Sunset Beach Rules and Regulations, the Brunswick County Rules and Regulations, the State of North Carolina Rules and Regulations, and the Federal Rules and regulations and must be skilled in researching these sources.
